## **Component Mission**

The Director of National Intelligence (DNI) serves as the head of the Intelligence Community (IC). The DNI also acts as the principal advisor to the President and the National Security Council for intelligence matters related to national security; and oversees and directs the implementation of the National Intelligence Program. The DNI leads intelligence integration and forges an intelligence community that delivers the most insightful intelligence possible.

The Deputy Director of National Intelligence for Enterprise Capacity (DDNI/EC) is responsible to the DNI for all matters pertaining to IC resources, workforce, systems, technology and infrastructure, with five reporting components: Acquisition, Procurement and Facilities, IC Chief Financial Officer, IC Chief Human Capital Officer, IC Chief Information Officer, and Systems & Resource Analyses.

The Office of the Chief Human Capital Officer (CHCO) supports the Office of the Director of National Intelligence by establishing and overseeing the implementation of the full range of Human Capital programs, processes, and policies. The CHCO has established the Strategic Human Capital Plan for the Intelligence Community (IC) that deals directly with talent, performance, and leadership to attract, engage, and unify an innovative and results-focused workforce in support of the National Intelligence Strategy—and ultimately the security of our nation. Following the IC Strategic HC Plan, the Office of the CHCO develops and implements policies, practices, and processes that leverage commonality across the IC and maximizes the strengths of individual agencies.

## **Major Duties and Responsibilities (MDRs)**

- Planning and completing assessments of the IC CAE's progress towards mission and enterprise strategic objectives and determine how well the IC CAE is postured for future environments.
- Planning and developing efforts to create a culture of IC CAE-related strategic planning by promoting best practices in strategy development, execution, and evaluation of IC CAE activities and by communicating to IC agencies priorities, activities, and impact in order to promote shared vision, values, and goals of the IC CAE program.
- Liaising with senior IC and academia leadership on strategic priorities, opportunities, gaps, and interdependencies to link resources to strategy; plan and communicate emerging strategic analytic issues and trends, evaluate them in context of the Consolidated Intelligence Guidance (CIG), and make recommendations for improvements.
